> Affin Hwang AM's 2016 investment forum

AFFIN Hwang Asset Management Berhad (Affin Hwang AM) recently held its annual investment forum. Dubbed "Investment Forum 2016: Outlook and Opportunities", the conference at Bangsar South City received a good turnout, recording more than 650 participants.

THE GIST

Attendees were said to have gained insights on domestic and global market scenarios via the presentations by the group of experts. Professional speakers included UBS Asset Management's Global Multi-Managers & Securities and Global Real Estate APAC co-head Charlene Huang; Nikko Asset Management chief strategist Naoki Kamiyama; BlackRock South East Asia Retail Distribution Business head and director Li Yifei; and Affin Hwang Asset Management Berhad managing director Teng Chee Wai, who delivered their sessions individually.

TOPICS DISCUSSED

- ▶ market volatility;
- ▶ global recovery and growth;
- ▶ divergence in monetary policies;
- ▶ interest rates;
- ▶ currencies and fixed income sectors;

Affin Hwang AM Investment Forum 2016 – Outlook and Opportunities annual conference at Connexion@Nexus.

- ▶ real estate investing; and
- ▶ investment opportunities for the remaining 2016.

THE OBJECTIVE

Affin Hwang AM is among the top asset management companies in Malaysia. The purpose of its yearly forum is to help investors stay abreast with the latest developments and significant advancements in the financial market. Industry players at this

year's conference also gained knowledge and learned strategies on making sound investment decisions to better manage their investments, especially during this challenging period. Engagement between attendees and speakers also provided valuable insights.
